

<b>Deliverable no.</b>	<b>Deliverable - title</b>	<b>Date deliverable expected</b>
D1.1.1	Minutes from kick-off meeting	May 2014
D1.1.2	Minutes from 2nd project meeting	'December 2014
D1.1.3	Minutes from 3rd project meeting	May 2015
D1.1.4	Minutes from 4th project meeting	'December 2015
D1.1.5	Minutes from 5th project meeting	June 2016
D1.1.6	Minutes from 6th project meeting	'December 2016
D1.1.7	Minutes from 7th project meeting	June 2017
D1.1.8	Minutes from 8th project meeting	'December 2017
D1.2.1	Status report 1st year	June 2015
D1.2.2	Status reports 2nd year	June 2016
D1.2.3	Status report 3rd year	June 2017
D1.2.4	Final report	January 2018
D1.3.1	Conference contribution	'December 2014
D1.3.2	Article presenting Robustfish	'December 2014
D1.3.3	Popular paper on organic trout fry	May 2015
D1.3.4	Popular paper on organic trout fry	'December 2015
D1.3.5	Popular paper on water treatments	February 2016
D1.3.6	Popular paper on market issues	March 2016
D1.3.7	Workshop/Seminar contribution	July 2016
D1.3.8	Popular paper on project results	'November 2016
D1.3.9	Popular article on project results	February 2017
D1.3.10	Workshop/Seminar contribution	March 2017
D1.3.11	Popular article on project results	April 2017
D1.3.12	Popular article on project results	May 2017
D1.3.13	Popular article on project results	October 2017
D1.3.14	Popular article on project results	'November 2017
D1.3.15	Popular article on project results	'January 2018
D2.1.1	Scientific paper on time of emergence/stress resilience	'November 2017
D2.2.1	Scientific paper on time of emergence/Dietary fatty acids/ Immunocompetence	'December 2017
D2.3.1	Scientific paper on swim-up behaviour and robustness	'December 2017
D3.1.1	Technical note on fatty acid manipulation of fry	'September 2017
D3.1.2	Popular paper on dietary fatty acids and fry performance	October 2017
D3.1.3	Contribution at workshop/seminar	'November 2017
D3.2.1	Technical note on dietary fatty acids/robustness of fry	'September 2017
D4.1.1	Optimized infection model with <i>F. psychrophilum</i>	'December 2014
D4.2.1	Conference contribution on challenge of robust fry	October 2015
D4.3.1	Conference contribution on challenge of dietary fatty acid manipulated fry	'October 2017
D5.1.1	Technical note based on field experiments	'November 2014

D5.1.2	Technical note based on field experiments	January 2016
D5.1.3	Technical note based on field experiments	December 2016
D5.2.1	Note on experimental progress of controlled experiments	February 2017
D5.3.1	Contribution at workshop/seminar	January 2017
D5.3.2	Contribution at workshop/seminar	February 2017
D5.4.1	Scientific publication on water treatments	May 2017
D6.1.1	Report on market for organic fish	May 2015
D6.2.1	Report on market analysis - Organic/Conventional	March 2017
D6.2.2	Workshop/seminar contribution	April 2017
D6.2.3	Workshop/seminar contribution	May 2017
D6.2.4	Scientific paper on market issues	June 2017
D6.3.1	Report on consumers perception of organic trout	February 2017
D6.3.2	Workshop/seminar contribution	March 2017
D6.3.3	Workshop/seminar contribution	April 2017
D6.3.4	Report on consumers perception of organic trout	May 2017
D6.3.5	Scientific paper on consumer perceptions of organic trout	June 2017
D6.4.1	Innovative development of new products	March 2017
D6.4.2	Report of innovative development of new products	April 2017
D6.4.3	Potential new product	May 2017
D6.4.4	Workshop/seminar contribution	June 2017
D6.5.1	Report on retailers perception of organic trout	April 2017
D6.5.2	Workshop/seminar contribution	May 2017
D6.5.3	Workshop/seminar contribution	June 2017
D6.6.1	Final report on value chain/Market issues	September 2017
